PEDI SPAS of AMERICA
Salon Equipment & Furniture

ABOUT PSofA

Pedi Spas of America, Inc. is focused on the manufacturing of Pedicure Spa and Nail Salon Furniture and exclusively dedicated to service the Beauty Salon industry. We combine our focus with the latest technology and our field of expertise with strong commitment to deliver with the highest level of customer care. Our initial areas of focus are quality, reliability, durability, and affordability. We believe we're well-positioned to create a unique market share given our ability to meet the demand required from coast-to-coast relatively quickly and cost effectively in this industry.

PSofA Inc. has a distinct advantage when designing and manufacturing Pedicure Spa and Nail Salon Furniture. As a manufacturer and retailer, PSofA Inc. controls the process from design to delivery. This allows us to offer the best value on all our quality line of products.

At PSofA Inc., our mission is to offer the best Pedicure Spa and Nail Salon Furniture possible and to support it with excellent quality and customer care. Furthermore, our commitment to excellence is based on our core beliefs:

- Style leadership with a value orientation supported by excellent quality and customer care is the foundation for success.
- Uncompromising integrity in all our dealings will ensure that associates, customers, and suppliers are always treated with respect and fairness.

So whether you are a startup salon owner or a major salon chain, PSofA Inc. wants to promote quality products and superior customer care to your salon. We are excited and look forward to a long and rewarding relationship with you.

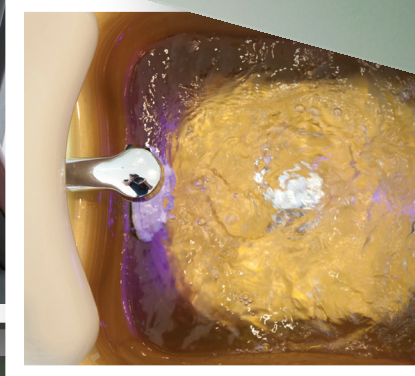

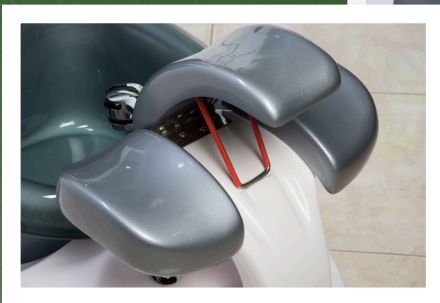

Pedi Spas of America

carefully controls and monitors the entire process of making a quality Pedicure Spa from raw materials to finished products, ready to be shipped to salons.

“We do it all: design, manufacture, market, distribute, deliver and install (local areas only)”

Technologies and styles have evolved over the years, **PSofA** has evolved too. Always keeping up with current fashion trends. With our dynamic and flexible spirit that underlies everything we do, which has allowed us to continue to grow our business and place us in a position to be industry leader.

ANGEL -777

The Angel Spa offers many versatile features to please your clients, and it is also easy for your technicians to operate. With its highly reliable full-function massage and fine quality ultra-leather acetone-proof upholstery, this chair will relieve stress all over for your clients. The foot rest can be adjusted to three different heights with just a lift of your finger. The Angel Spa, like all of our chairs, is equipped with the Pipe-less-jet System - no water pipes to collect stagnant water and bacteria, reducing the risk of bacterial infections and disease.

NAIL TABLES

A workstation should be more than just a place to work – it is where the mundane gets transformed to beautiful. With that mission in mind, the workstations of PSofA are never dull – they are just as much works of art as the manicurist’s creations.

COUNTERS

Your counter is one of the first items a customer sees in your salon. Our counters are ready to make a stylish first impression. They offer the best of both worlds – the beauty of woodgrain plus the durability and easy care of vinyl. Our colors include cherry, walnut, mahogany, and duotone – perfect simulations of popular wood stains. They are investments in your business that will last for decades and will pay themselves off many times over.
